Otto Nielsen, NBR

A photograph of a large agricultural field with three people working in the distance. The field is divided into sections of dark, tilled soil and rows of green crops. In the foreground, a piece of heavy machinery, possibly a plow or harrow, is visible with several large, dark metal wheels. A black bucket containing a green rope is attached to the machinery. A large black trapezoidal frame is superimposed over the center of the image, containing white text.
